## Pipefitter

### Work experience

---

#### Pipe foreman/Pipefitter

01/2009 - 05/2018

LaShip

Pipe foreman,I kept up with time and material for up to 20 fitting crews. Ensured all materials,pumps,bolts,prints were always on job site so productivity never slowed down. Assisted and helped fitters as needed

pipefitter,I fit piping systems as per blueprint. Also drew ISOs as needed. I have experience with all types of piping,fittings,valves,flanges. Tested piping systems and sold to ABS or Coast Guard. I have no problem reading prints,line drawings,3D drawings or ISOs I have close to 30 years experience

#### Pipefitter

11/2007 - 12/2008

Chet Morrison

Spooled pipe in pipe shop and installed piping on Decks and Jackets. Hydro tested,Nitrogen tested and air tested systems

#### Adjuster/Remediator

04/2003 - 11/2007

Superior Services LLC (SALDAN)

Handled all fire and water claims for Allstate insurance company in New Iberia,Lafayette,Alexandria,Lake Charles and Baton Rouge. It was a 24 hr,7 day a week on call job. I would visit the home assess and document damages with notes,pictures,measurements and I'd take samples. I'd have a company come in to dry the home and remove flooring where needed and do the same for fire. Depending on claimant I'd hire someone to fix anything needed and return home back to its normal state.

#### Pipefitter

04/1998 - 03/2003

North American Fab

I fit all systems on boat,tested them,sold them off to ABS OR Coast Guard and took vessels on sea trial. I worked road jobs and also worked overseas

### Education

---

HL bourgeois  
High School Education

1987 - 1989

### Text section

---

I have a valid Twic card and Passport. I am available to work anywhere in the United States or overseas.

I have nearly 30 years experience in Fabrication. I have never had an injury of any kind.
